

## Next Steps

Your Community Group is ending and maybe you're thinking to yourself, "What's Next?" Below is a list of opportunities at Journey that can help you take next steps in your spiritual growth while continuing to walk in the 7 Rhythms you learned about in Rooted.

### Facilitate a Rooted Group

Facilitating a Rooted group gives you a front row seat to something remarkable - seeing God transform lives through an 11 week journey. We believe God radically uses Rooted leaders to help people experience Jesus in profound ways. Would you consider taking this courageous step in facilitating a group this next Rooted session?

### Lead a Community Group

Group leaders create a place where people can be real and grow. Along the way, they find their faith grows as well. Perhaps it's time for you to step up and lead. Curious about leadership? Take a step to see if group leadership is right for you.

### Join a Strategic Service Team

It takes over 400 volunteers to make Sunday happen. Are you willing to help? Our needs are as diverse as the people who attend our services. Find out how you can get involved and serve others in our church community.

### Join our MENTorship Program

MENTorship is a 9 month program that was created to develop the next generation of men's leaders at Journey through an intentional development process where men will have a model of an exceptional leader and experience authentic community.

### **Join a Theopraxis Class**

Theopraxis is a multi week class designed to equip you in your personal life as well as in your sphere of influence. The word “Theopraxis” combines two Greek words: theos (God) and praxis (practice). It’s not about theology for theology’s sake, but how we live and lead based on what we know about God. The ultimate aim of good theology isn’t acquiring knowledge. It’s becoming more like Jesus, which means loving God and other people more fully.

### **Facilitate one of our Online Environments**

We have three great online environments where people can engage with Journey from anywhere!

#### **Talk It Over**

Talk It Over is our weekly Sunday afternoon discussion group that provides a chance to dialogue about the weekend message via Zoom. We are always looking to add Facilitators to our team to guide the conversation with the questions our GroupLife team provides ahead of time.
